Re: RMA Agricultural Education Resolution

Dear Mr. Beck,

Thank you for your letter dated February 7, 2020 regarding ASB resolution 9-20: Mandatory Agriculture Education in the Classroom. I wanted to share with you a similar resolution endorsed at our fall 2019 RMA convention, [23-19F: Mandatory Agriculture Education in the Classroom](#).

We received a response from the Government of Alberta (GOA) outlining the current agricultural education opportunities offered in Alberta schools. However, the GOA response does not indicate action to have mandatory education in agricultural topics for all Alberta students. As a result, RMA has assigned this resolution a status of intent not met.

I look forward to working together as we continue to advocate on this issue.

Sincerely,

RESOURCEFUL. RESPONSIVE. RESILIENT.
